[REDACTED]

1. We have considered very carefully the problem presented in the memorandum of 24 May 1952 from the Chief, Purchase Division, concerning a request to procure equipment [REDACTED]

25X1A5a1

[REDACTED] Under existing circumstances, it is our opinion that the proposed procurement would be in violation of Government policies on conflict of interest, and that the individual concerned might be in violation of the criminal statutes relating to conflict of interest.

25X1A5a1

2. We believe that every effort should be made by the Procurement Division to develop, in coordination with the Training Aids Branch, performance specifications which would permit solicitation of bids for adequate equipment on the open market. If, after all sources of procurement have been exhausted, the Contracting Officer determines it is impossible to get adequate equipment except from [REDACTED], the conflict of interest problem could be restudied in the light of those circumstances to determine if the facts are such as would warrant a legitimate exception.
